- 18.2 The CAT may direct that two or more Cases be joined or heard together, or be heard separately, if the CAT believes it would be fair to do so.
- 18.3 In Cases that are heard together, evidence presented will be treated as the evidence for each of the Applicants, unless the CAT directs otherwise.

19. Early Dismissal

- 19.1 The CAT can dismiss an Application or Case at any time in certain situations, including:
 - (a) Where a Case is about issues that are so minor that it would be unfair to make the Respondent(s) go through the CAT process to respond to the applicant(s)'s concerns;
 - (b) Where a case has no reasonable prospect of success;
 - (c) Where a Case is about issues that the CAT has no legal power to hear or decide;
 - (d) Where the Applicant(s) is using the CAT for an improper purpose (e.g., filing vexatious Applications);

- (e) Where the Applicant(s) has filed documents with the CAT that the Applicant(s) knew or ought to have known contain false or misleading information;
- (f) Where the CAT has found that the Applicant has abandoned their Case because the Applicant no longer wants to continue or is no longer actively involved in the Case; or
- (g) Where the Respondent has not joined the Case and the Applicant has either not delivered all of the Notices as required, or where the Applicant has delivered all of the required notices but has not moved the Case forward to Stage 3 – Tribunal Decision.

 - (b) Sending it by regular mail to:
 - the address for service for the unit owner, as shown in the record of owners and mortgagees that the condominium corporation is required to maintain under section 46.1 of the *Condominium Act, 1998*; or,

- the unit's address, if there is no address for service listed in the record of owners and mortgagees that the condominium corporation is required to maintain under section 46.1 of the *Condominium Act, 1998*.
- If the recipient is an Occupant...

 - (b) Sending it by regular mail to the unit's address.

- (a) if delivered by mail, five days after the postmark date on the envelope; or,
 - (b) if personally delivered, at the time when it is delivered to the person.
- 20.3 The CAT may require the sender of a paper document to prove its delivery by giving delivery details as the CAT requires.

- (a) proceed with the Case if satisfied there will be no prejudice to the Party entitled to receipt of the document;

 - (c) dismiss the Case or request.
- 20.5 If a Party fails to deliver a paper document as required by this section, the CAT may still deem it to have been validly delivered if it is proven that the document's contents came to the attention of the person or entity for whom it was intended within the required time period.

21. [Public Access](#)

- 21.1 In addition to these Rules and any direction or Order of the CAT, the CAT will also be guided by the Access and Privacy Policy of the Condominium Authority of Ontario.
- 21.2 The public may have reasonable access to adjudicative records related to Stage 3 - Tribunal Decision, including documents and messages that are uploaded or sent through the CAT-ODR system. This public access may be delayed until after the Case is closed.

- 21.3 As stated in the CAO's Access and Privacy Policy, CAT Case files may include the following adjudicative records:
- The Applicant's Application and any other documents submitted when the Case was filed
 - Notices of hearing
 - Correspondence to and from the CAT
 - Written submissions;
 - Documentary evidence;
 - Recordings of oral portions of the proceeding, if any;
 - Orders and / or decisions; and,
 - Hearing schedules.
- 21.4 Any person may request that the CAT close all or part of a Case to the public or restrict public access to the CAT's adjudicative records. Requests under this section can be made at any time, even after the Case has closed.
- 21.5 The CAT may take any steps and make any directions or Orders that are needed to protect the confidentiality of personal information. The CAT may do this after a request or without a request from a Party, in accordance with the CAO's Access and Privacy Policy.

22. Human Rights Code Needs

- 22.1 The CAT is committed to accessibility and equal access to its services. All Parties who have needs related to the Human Rights Code have a right to equal access to the CAT's services. Parties with Code-related accessibility needs should inform the CAT as soon as possible.

23. English or French

- 23.1 Cases may be conducted in English or French, as guided by the CAT's French Language Services Policy.
- 23.2 A Party may change their preferred language for participation from English to French or from French to English. Parties must notify the CAT of any change in language preference as soon as possible.

C. FILING AN APPLICATION

24. Filing an Application with the CAT

- 24.1 The Applicant(s) can file an Application with the CAT only through the CAT-ODR system, unless the CAT allows for another method.
- 24.2 The CAT may review an Application to identify issues such as whether it is incomplete, late, or about a dispute that the CAT has no legal power to decide. The CAT may also require Applicants to provide documents related to the issues in dispute to determine if the CAT has jurisdiction over the issues raised in the Application. The CAT will inform the Applicant(s) what they can do to try to fix any problems and may request that additional information or documents be required to ensure that the CAT has jurisdiction over the issues in dispute. These problems may include the Application being:
- (a) incomplete;
 - (b) late; or
 - (c) about a dispute that the CAT may have no legal power to hear or decide.
- 24.3 If the Applicant(s) do not respond to or address the issues identified, the CAT, the CAT will inform the Applicant(s) in writing that it will not be allowed to continue and provide reasons why. The Applicant(s) will have a chance to explain why the Application should be allowed to continue. Based on the response, a CAT Member will decide to either dismiss the Case or allow it to continue.
- 24.4 When the Application is accepted, the CAT will give the Applicant a Notice of Case with instructions about how to deliver this Notice to the Respondent(s) and any Intervenor(s). The Notice of Case has information about how the Respondent(s) and Intervenor(s) can join the CAT-ODR system to participate in the Case.
- 24.5 The Applicant(s) must deliver the Notice of Case to the Respondent(s) and to the Intervenor(s) (if any). This Notice can be delivered by any of the methods described in Rule 20.1.

25. Applications filed by Multiple Applicants

- 25.1 If an Application involves multiple Applicants, all Applicants must have joined the Application before it can be submitted to the CAT.
- 25.2 The Primary Applicant (in most instances, the person who commenced the Application) must pay the CAT fees to file the Application and to move the Case from Stage 1 to Stage 2 or from Stage 2 to Stage 3.
- 25.3 The CAT may remove an Applicant from an Application or Case for failing to participate. The CAT will only remove an Applicant in response to a unanimous

request from the other Applicants and will notify the Applicant and give them an opportunity to participate in the Case before they are removed.

26. Joining a Case

26.1 The Respondent and/or any Intervenor that receives a Notice of Case must join the Case using the CAT-ODR system within seven days of receipt, unless the CAT allows for another method.

27. Process in the absence of the Intervenor(s)

27.1 If any Intervenor does not respond to the Notice of Case or any further notices that the CAT has directed the Applicant to deliver, the Case will proceed through the dispute resolution process (beginning in Stage 1 – Negotiation) without any further notice to the Intervenor.

27.2 Intervenors who have received a Notice of Case may join active Cases at any time, even if the Case has proceeded to Stage 3. If the Case has already commenced, the Intervenor will join the Case in its current stage.

28. Process in the Absence of the Respondent(s)

28.1 If any Respondent does not respond to the Notice of Case or any further notices that the CAT has directed the Applicant to deliver to the Respondent, the Applicant may ask the CAT to make an Order without hearing further from that Respondent. In these circumstances, the Case will proceed immediately to Stage 3 – Tribunal Decision.

28.2 A Respondent or Intervenor is considered to have not responded if the following Notices were delivered using one of the delivery methods in Rule 20.1 and they have not joined the Case:

- (a) a paper copy of the Notice of Case
- (b) a paper copy of the Second Notice of Case
- (c) a paper copy of the Final Notice of Case

28.3 Respondents may join active Cases at any time, even if the Case has proceeded to Stage 3. If the Case has already commenced, the Respondent will join the Case wherever it is in the process.

D. STAGE 1 – NEGOTIATION

29. Negotiation

- 29.1 During this stage, the Parties will use the CAT-ODR system to negotiate by exchanging settlement offers, documents and messages. If the Parties agree to settle the issues in dispute in this stage, the CAT-ODR system will automatically create a Settlement Agreement that includes the terms they agreed upon. If the Parties do not agree to settle the issues in dispute, the Applicant(s) can choose to pay the fee and move the Case to Stage 2 – Mediation.

Generally, Stage 1 – Negotiation will occur without intervention or assistance from the CAT, but Parties can notify the CAT if a Party is behaving improperly or not following a CAT direction or Order.

30. Ending Stage 1

- 30.1 The CAT will end Stage 1 and close the Case if:
- (a) the Parties have reached a Settlement Agreement that resolves all the issues in dispute;
 - (b) the Applicant(s) have properly informed the CAT that they are withdrawing their Case;

Note: If there are multiple Applicants and one or more, but not all, of the Applicants withdraw from the Case, the Case will remain open with the remaining Applicants.

- (c) the Parties notify the CAT that they have resolved the issues in dispute; or
 - (d) there has been no activity on the Case by any Party in the CAT-ODR system for more than 30 days.
- 30.2 The Applicant(s) may move from Stage 1 to Stage 2 by paying the Stage 2 Fee.
- 30.3 If the Case involves multiple Applicants, the Case will only move to Stage 2 if all Applicants agree.

E. STAGE 2 – MEDIATION

31. Mediation

- 31.1 In this stage, the CAT assigns a Mediator to work with the Parties to try to resolve the issues in dispute. If the Parties agree to settle the issues in dispute in this stage, the CAT-ODR system will provide them with either a Settlement Agreement or a Consent Order that includes the terms they agreed upon. If the Parties do not agree to settle, the Mediator will discuss how to prepare for a Hearing in Stage 3 – Tribunal Decision. The Applicant can then choose to pay the fee and move the Case to Stage 3 – Tribunal Decision.

32. Assignment of CAT Members

- 32.1 The CAT Chair (or their delegate) may assign a CAT Member or any other person as the Mediator in Stage 2.

33. Directions and Communications

- 33.1 The Mediator may give directions to ensure that the mediation is properly conducted, and that the Parties have enough information and understanding of the issues to properly agree to any settlement. A Mediator who is a CAT Member may make Orders that the Parties must follow.
- 33.2 The Mediator may sometimes communicate confidentially with only one Party. If the Mediator does this, the Mediator will inform the other Parties about the one-on-one communication, without saying what was discussed.

34. Ending Stage 2

- 34.1 If the Mediator believes that the Parties are unlikely to agree to settle the Case, the Mediator will discuss their readiness for Stage 3 - Tribunal Decision. This includes:
- (a) identifying the facts they can agree on;
 - (b) identifying what witnesses and evidence they want to use;
 - (c) discussing how to simplify the issues;
 - (d) explaining what to expect and how stage 3 will work;
 - (e) anything else that may help the Stage 3 - Tribunal Decision process be fair, focused and efficient.
- 34.2 The Applicant(s) may pay the Stage 3 fee and move the Case from Stage 2 to Stage 3 after the Mediator has allowed them to do so.
- 34.3 The CAT will end Stage 2 and close the Case if:
- (a) the Parties have agreed to a Settlement Agreement that resolves the issues in dispute;
 - (b) the Parties agree to the CAT making a Consent Order that resolves the issues in dispute;
 - (c) the Applicant(s) has properly informed the CAT that they are withdrawing their Case, or that the Parties have settled the Case;

Note: If there are multiple Applicants and one or more, but not all, of the Applicants withdraw from the Case, the Case will remain open with the remaining Applicants.

- (d) the Mediator finds that the Applicant(s) has abandoned the Case because there has been no discussion on the CAT-ODR system for more than 15 days;
- (e) the Applicant(s) has not paid the Stage 3 fee for more than 15 days; or,
- (f) the Mediator dismisses the Case (e.g., because the Mediator determines the Case was filed for an improper purpose or that the CAT does not have jurisdiction to deal with the issues in dispute).

34.4 If the Case involves multiple Applicants, the Case will only move to Stage 3 if all Applicants agree.

35. Mediator's Refusal of Settlement Agreement or Consent Order

35.1 Mediators can refuse to incorporate the terms agreed upon by the Parties into a Settlement Agreement or Consent Order if they conclude that the terms violate the *Condominium Act, 1998*, or another law.

36. Stage 2 Summary and Order

36.1 If the Applicant(s) has paid the fee for Stage 3, the Mediator will prepare a Stage 2 Summary and Order. This document will be given to the Parties and used by the CAT Member who hears and decides the Case in Stage 3. This document will:

- (a) summarize the issues that the CAT should decide. It will also identify if any issues have been resolved. The summary will respect the confidentiality of the communications and settlement offers in Stage 2; and,
- (b) include any Orders about the procedures the Parties must follow to make Stage 3 fair, focused and efficient.

F. STAGE 3 – TRIBUNAL DECISION

37. Tribunal Decision

37.1 In this stage, the CAT assigns a CAT Member to hear the arguments and evidence and decide the Case. The CAT Member uses the CAT-ODR system to manage the Hearing by giving Parties the ability to exchange messages and

documents. At the end of the Hearing, the CAT Member applies the law and makes a final and legally binding Decision that everyone must follow.

38. The Schedule

38.1 In Stage 3, the CAT Member manages the Hearing through the Schedule. The Schedule is used to give Parties permissions to perform actions in the CAT-ODR system, including posting messages in the “Written Hearing” tab, uploading documents or evidence in the “Documents” tab, or adding witnesses in the “Witnesses” tab.

39. Assignment of Members

- 39.1 The Chair (or their delegate) will assign one or more CAT Members to hear and decide a Case in Stage 3 - Tribunal Decision.
- 39.2 If two or more CAT Members are assigned to hear and decide a Case in Stage 3, one of the Members shall be assigned as the Presiding Member, and this Member will be responsible for managing the Stage 3 process.
- 39.3 If three CAT Members are assigned to hear and decide a Case in Stage 3, the decision of a majority of Members shall be the Decision of the CAT. If two CAT Members are deciding a Case and they do not agree on a Decision, the Decision of the Presiding Member shall be the Decision.

40. Disclosure of Documents, Information and Evidence

- 40.1 All Parties are responsible for providing evidence to support their positions.
- 40.2 All Parties must use the CAT-ODR system to deliver their documents and evidence to the other Parties. This is normally done at the beginning of Stage 3 and is called “disclosure.” Disclosure typically includes:
- (a) all documents that the Party will use as evidence in Stage 3; and,
 - (b) a list of witnesses whom the Party wants to give evidence in Stage 3, together with a short summary of each witness’s evidence.
- 40.3 At any time during Stage 3, the CAT may require a Party to disclose any documents or other material if the CAT considers it necessary for a better understanding of the issues in dispute, unless the CAT is satisfied the document or material is privileged.
- 40.4 Parties must follow the CAT’s Orders or directions about what, how and when any documents, information or evidence must be delivered. If a Party fails to follow these Rules or the CAT’s Orders or directions about disclosure of

documents, information, or evidence, that Party may not use that document or information or call the witnesses to give evidence, unless the CAT otherwise allows.

41. Witnesses

- 41.1 A Party who wants to have a witness provide evidence or participate in a CAT Case must propose that witness through the CAT-ODR system. When proposing a witness, the Party must also propose how they want their witness to give evidence. For example, the CAT can permit a witness to provide their evidence by e-mail, telephone, videoconference, or by another method allowed by the CAT Member. A Party proposing a witness must also provide a brief summary of the evidence that their witness is expected to give.
- 41.2 The CAT may decline to accept evidence from a witness or to permit a witness to participate in a CAT Case if it determines that:
- (a) the witness's evidence is not relevant to the issues in dispute;
 - (b) the witness's evidence is repetitious;
 - (c) the witness's evidence relates to matters that are not in dispute.
- 41.3 The CAT Member assigned to the Case will determine how the witness provides their evidence the CAT will give directions about:
- (a) how and when the witnesses may give evidence;
 - (b) how and when Parties can make submissions about a witness's evidence or ask a witness question; and,
 - (c) how and when a witness can receive or answer questions from a Party or the CAT.
- 41.4 The CAT may accept as true any facts in that witness's evidence that the other Parties have not clearly disagreed with.

42. Witness Summons

- 42.1 The CAT may issue a summons to a witness on the request of a Party, or without a request.
- 242.2 A Party who asks for a summons must follow the instructions on the summons form and deliver a paper copy of the summons to the witness together with the payment for attendance that is required under the Rules of Civil Procedure of the Superior Court of Justice.

43. Ending Stage 3

43.1 The CAT will end Stage 3 and close the Case if:

- (a) The CAT Member has concluded the Hearing and issued their Decision on the issues in dispute;
- (b) the Parties have reached to a Settlement Agreement that resolves the issues in dispute;
- (c) the Parties agree to the CAT making a Consent Order that resolves the issues in dispute;
- (d) the Applicant(s) has properly informed the CAT that they are withdrawing their Case and the CAT Member has agreed to allow them to withdraw;

Note: If there are multiple Applicants and one or more, but not all, of the Applicants withdraw from the Case, the Case will remain open with the remaining Applicants.

- (e) the Parties notify the CAT Member that they have resolved the issues in dispute;
- (f) the CAT Member finds that the Applicant(s) has abandoned the Case; or,
- (g) the CAT Member dismisses the Case (e.g., because the CAT Member determines the Case was filed for an improper purpose or that the CAT does not have jurisdiction to deal with the issues in dispute)

44. Mediation-Adjudication

44.1 With the agreement of the Parties, the CAT Member assigned to Stage 2 or 3 may conduct a combined mediation-adjudication. In mediation-adjudication, the CAT Member will work with the Parties to try to resolve the issues in dispute. If the Parties cannot resolve the issues in dispute, the CAT Member will then make a final decision.

44.2 Where the Parties agree to mediation-adjudication, they must consent to a mediation-adjudication agreement prepared by the CAT before the mediation-adjudication commences.

45. Member's Refusal of Settlement Agreement or Consent Order

45.1 CAT Members can refuse to incorporate the terms agreed upon by the Parties into a Settlement Agreement or Consent Order if they conclude that the terms violate the *Condominium Act, 1998*, or another law.

G. AFTER CASE CLOSURE

46. Correcting and Clarifying Orders and Decisions

- 46.1 The CAT may at any time correct a typographical error, a calculation error, or similar error in its Order or Decision.
- 46.2 The CAT may at any time make minor changes to an Order or Decision to clarify wording that is unclear or incorrectly stated.
- 46.3 A Party has 30 days after receiving the Order or Decision to ask the CAT to make this kind of minor correction or clarification. The Party must deliver their request to the other Parties and to the CAT.
- 46.4 A request for a clarification under this section must:
- be in writing;
 - include the CAT Case number;
 - identify the parts of the Order or Decision that includes a typographical, calculation, or similar error or which are unclear; and,
 - identify the specific change(s) requested.
- 46.5 The CAT may respond to a request for review without hearing from the other Parties, and the CAT does not have to give any reasons for its response.
- 46.6 A Party may ask the CAT to stay its Order (i.e., make it temporarily unenforceable) when making a request for a correction or clarification under this Rule. The request must be in writing and must describe the prejudice the Party will experience if the Order is not stayed.
- 46.7 This Rule cannot be used to ask a CAT Member to make substantive changes to their Order or Decision. If a Party makes a request for substantive changes, the CAT may refuse it without providing any further reasons.

47. Reopening a Case After a Party Failed to Participate

- 47.1 The CAT may reopen all or part of a Case if the Case was closed after a Party:
- (a) failed to appear or participate in all or part of a Case; or,
 - (b) failed to respond to a request or communication from the CAT.
- 47.2 A Party has 15 days after the Case has closed to request that it be re-opened. The Party must deliver their request to the other Parties and to the CAT. The Party's request must give details about:
- (a) why the Party failed to appear or participate, or failed to respond; and
 - (b) why it is unfair for the Party if the Case is not reopened.

- 47.3 The CAT may respond to the request for review without hearing from the other Parties, and the CAT does not have to give any reasons for its response.

H. COSTS

48. Recovery of Fees and Expenses

Reimbursement of CAT Fees Following a Final Decision

- 48.1 If a Case is not resolved by Settlement Agreement or Consent Order and a CAT Member makes a final Decision, the unsuccessful Party will be required to pay the successful Party's CAT fees unless the CAT member decides otherwise.

Reimbursement of Legal Costs and Disbursements at any stage

- 48.2 The CAT generally will not order one Party to reimburse another Party for legal fees or disbursements ("costs") incurred in the course of the proceeding. However, where appropriate, the CAT may order a Party to pay to another Party all or part of their costs, including costs that were directly related to a Party's behaviour that was unreasonable, undertaken for an improper purpose, or that caused a delay or additional expense.

- 48.3 A Party who fails to pay any amounts ordered to be paid to the CAT may not file a new Application until all outstanding amounts have been paid.

49. Compensation for Time Generally Not Recoverable

- 49.1 The CAT generally will not order one Party to pay another Party compensation for time spent related to the CAT proceeding.

Note: The CAT has developed a Practice Direction to provide additional clarity on the criteria the CAT might consider when deciding whether to order costs and the amount of costs to be ordered. Click [here](#) to access the **CAT Practice Direction: Approach to Ordering Costs**.
