Important: The proxy form must be filled out and signed by at least one of the unit owners (or a person legally authorized to act on their behalf).

## Check one of these boxes to indicate whether you are the owner, mortgagee, or if you are acting on behalf of the owner or mortgagee (for example, if you have power of

attorney for the owner of the unit).

Enter the date, month, year, and the time you completed the proxy form here. This information may be used to validate your proxy form (for example, if you appoint two different proxies, the proxy form you filled out last will determine who your proxy is).

Enter the date of the meeting that your proxy will attend into this box.

Because you want to allow your proxy to vote on all matters raised during the meeting, check the third box here.

Important: To provide your proxy with instructions on how to vote, please note that you must fill out the proxy form electronically. This is because the form is dynamic and expands depending on the selections that you make. If you don't fill out the form electronically, you will not see all the fields you can fill out.

To provide instructions to your proxy on how to vote on specific matters, **check the box for Section 3.** 

Enter a description of the specific matter that you want your proxy to vote on here.

If you are unsure what items will be voted on at the meeting, you can check the Notice of Meeting that you received from your condominium corporation or condominium manager. If you did not receive a Notice of Meeting, you should speak to your board of directors or condominium manager. For more information on Notices, please refer to the CAO's webpage on meetings.

For more information on how to fill out the proxy form to instruct your proxy how to vote for any of these topics, please refer to the CAO's webpage on proxies.

Section 4. Voting for removal of directors and election of substitutes:

Enter your proxy's name in row A here – if you want to appoint a back-up proxy (if you think that your proxy might not be able to attend the meeting, for example), you can enter the backup proxy's name in row B. That way, you can still be represented as long as at least one of these people can attend.

Make sure that you that you sign or initial the form here after you print it.

Check "Yes" if you want your proxy to vote in favour of that matter, and "No" if you want them to vote against it.
