It is the responsibility of the Respondent to ensure that the submission is received by the time and date specified. By submitting a response to the proposal, the Respondent acknowledges that:

- They are sufficiently experienced, properly qualified, equipped, staffed, organized, and financed to provide legal services to the CAO pertaining to the scope of its operation.
- They will not engage in any billable work on behalf of the CAO without express written approval following the provision of a cost quotation and time estimate for completion.

4.3 Evaluation Process

The evaluation process consists of a review of the mandatory requirements and the point rated requirements. Mandatory requirements are not assigned a point score. All Respondents must meet the mandatory requirements before proceeding to the point rated evaluation stage. Proposals that do not comply with all mandatory requirements may be disqualified and not evaluated further. The proposal evaluation will be based on the point rate requirements as outlined in Section 5.2.

The evaluation is based on the information and documentation provided in the proposal, along with public reviews of the service provider, and it is recommended that each item in the point rated requirements be addressed in depth. The proposal should explain and demonstrate how the Respondent will carry out the work identified and satisfy the contract deliverables. Those responding to this RFS must submit all data required herein in order for the proposal to be evaluated and considered for award. Failure to submit such data could result in disqualification of the proposal from further consideration.

The Evaluation Criteria is as follows:

Criteria	Description	Rating
Knowledge and Experience	Relevant experience and expertise in requested scope of service and advising similar organizations, e.g. not-for-profit organizations, regulators or the public sector.	50%
Quality and Completeness of Proposal	Understanding of the scope of work and the needs of the CAO.	20%
Price	Evaluation of proposed total pricing; include details of hourly rate and costs for any anticipated additional expenses.	30%
TOTAL WEIGHTING		100%

More information regarding the type of information that the CAO is looking for under each evaluation category can be found in Section 5.2, which details the Point Rated Requirements.

All decisions as to the degree to which a proposal meets the requirements of the RFS are solely within the judgment of the CAO Management.

4.4 Contract Award

The CAO reserves the right to accept or reject proposal submissions, in whole or in part, to adjust the scope of work or to modify any term or condition, which has been provided to the Respondent at its sole and absolute discretion.

The CAO does not bind itself to accept any proposal submission.

An accepted proposal will deem the Respondent to be approved by the CAO for the prospective engagement of the provision of legal services. From time to time, the CAO may engage one or more approved Respondents to provide services.

Each proposal submitted shall constitute an offer by the respondent to enter into an agreement with CAO for consideration as an approved provider of legal services, subject to the terms and conditions set out in the agreement. After the closing date, the CAO may interview any Respondent and may seek clarification or additional information in respect of the Respondent's proposal. There are no guarantees that an accepted proposal will result in service provision engagement.

The CAO's interpretation of the contents of the official proposal documents shall prevail.

4.5 Confidentiality and Non-Disclosure

The Respondent acknowledges that any and all information provided by the CAO in connection with this RFS is confidential and proprietary to the CAO and shall not be disclosed to anyone except as required in order to prepare the submission without the prior written consent and approval of the CAO, which may be reasonably withheld.

Any material provided by the Respondent that is to be considered confidential must be clearly marked as such and must include all applicable restrictions.

The Respondent, which if applicable includes its partners, officers, directors, employees, contractors, agents, co-venturers, shareholders and all persons or entities connected with or associated with the Respondent in any way ("the Respondent"), shall keep confidential and shall not communicate, release, disclose, copy, transfer, give or sell to any person or corporation or use for any commercial purpose all or any part of any information, including but not restricted to, lists, records, contracts, documents, data, proprietary designs, that is belonging to or obtained from or maintained by or through or about the CAO or any of its employees, or agents, which comes to the Respondent's knowledge or possession or control except as may be required in the course of the engagement of the Respondent's services by the CAO or as the CAO may separately approve in writing.

4.6 Cost of Submission

All costs incurred in the preparation and presentation to respond to this RFS in any way whatsoever will be wholly absorbed by the Respondent.

4.7 Save Harmless

By submitting a proposal and regardless of the outcome of such, the Respondent agrees not to publicly communicate their potential or actual provision of legal services to the CAO on social media, public speaking events or promotional materials.

4.8 Disposition of Proposals and Submissions

All materials submitted in response to this RFS will become the property of the CAO and will be returned only at the CAO's discretion and the Respondent's expense.

4.9 Bankruptcy, Insolvency or Change in Control

The Respondent shall notify the CAO if they become subject to disciplinary proceedings by the Law Society of Ontario, or become bankrupt, insolvent or undergo a change in control after submission of its proposal, which event shall constitute sufficient grounds for the CAO to not award the contract to that individual/entity.

5. Proposal Requirements

The following sections outline the requirements for this RFS.

5.1 Mandatory Requirements

Mandatory requirements are not assigned a point score. A pass will be assigned for each item submitted that meets the requirements.  - Provide evidence of professional liability insurance and any other insurance coverage reasonably required to perform the services;
- d. Provide three (3) written references with whom the Respondent has worked within the last three years and provided relevant services that will demonstrate knowledge, experience and improvements made in similar projects.
